President's Message

Dear fellow members

It is now only three weeks until our AGM and Conference in Melbourne. The Melbourne Committee has organised a most stimulating business program and the Dethridge Address, to be delivered by Mr Christopher Lau SC, promises to be topical and engaging. I look forward to seeing many of you there and for those who have not yet registered – there is still time! Please go to www.tmm.com.au

An additional feature of this year's Conference will be "working forums" over lunch for those who wish to participate in debate about the various law reform issues that are currently relevant to aspects of maritime law. In the next couple of weeks, short discussion papers on each of the topics will be posted on the web site and I encourage any of you who are keen to do so to come prepared to contribute to a MLAANZ position on any or all of the topics.

I would also like to inform members that the Board is considering joining with the US MLA for next year's Conference. The US MLA has invited us to join them in Hawaii from 2-6 December 2011. The Conference has been timed to coincide with the 70th Anniversary Commemoration of Pearl Harbour on 7 December 2011. This will be discussed at the AGM in

Melbourne but the Board would be pleased to receive members' views on this proposal.

Finally, I trust that your training for the trans-Tasman rowing challenge on the Yarra is well underway and I look forward to the usual rivalry at the conclusion of the Conference.

With my best wishes to you all
