New Zealand Branch Conference — 25 May 2018

The New Zealand Branch is pleased to invite members and colleagues to its annual conference on Friday, 25 May 2018 at Goldie Estate Winery, Waiheke Island. We are delighted to confirm that Professor Nick Gaskell of the TC Beirne School of Law, University of Queensland will be presenting at the conference on the Nairobi Wreck Convention and the Athens Passenger Convention. There will also be presentations on the legal implications of new technologies, including autonomous ships and blockchain, and recent developments in the Offshore Energy Sector. As always there will be plenty of opportunity to catch up with colleagues and to make new connections — welcome drinks will be held on the evening of Thursday, 24 May and a delicious dinner at the Winery on Friday, 25 May, will follow the conference and branch AGM. Registration forms will soon be available from the [MLAANZ website](#).
