

2019 New Zealand Branch Conference

Thursday, 11 April 2019 - Auckland, New Zealand

The New Zealand Branch Committee of MLAANZ is pleased to invite members and those interested in maritime law to its 2019 Conference and AGM to be held on Thursday, 11 April 2019.

- The conference will be from 1pm to 5pm at the Five Knots Room, Tamaki Yacht Club, Orakei, Auckland followed from 5pm by the AGM and light refreshments.
- Pre-dinner drinks from 7pm and dinner at 8pm at the Soul Bar, Viaduct Harbour.

The 2019 programme has a great mix of speakers and topics:

- Marty Byrne, CEO at Port Nelson, will be joining us to speak about the challenges the New Zealand port industry is facing, including from both a national and provincial perspective, and the role technology is playing.
- Sophie Hudson, from DLA Piper, will explore some of the new marine insurance issues arising out of cyber and unmanned shipping.
- John Gresson, General Counsel at Matson South Pacific, will discuss some competition law aspects of southwest Pacific regional liner shipping, under both the existing Commerce Act exemption provisions and when the new Cartel Criminalisation regime comes fully into force — an important issue of day-to-day relevance for those involved in the shipping industry.
- Both internationally and domestically there have been recent decisions of interest to the maritime industry and the case note session will provide the opportunity to hear an update on developments around the burden of proof in cargo claims, regulatory prosecutions under HSWA and the different approach taken by the courts in Australia and the UK on package limitation.

The conference will be of particular interest to:

- Maritime lawyers
- Vessel operators
- Port companies
- Exporters
- Maritime insurers

Check your CPD requirements!

Lawyers and insurers may be able to put the conference towards their CPD time for the year.
