MLAANZ Conference Proceedings Digitisation Project

The Marine and Shipping Law Unit at University of Queensland has undertaken to collect, archive and digitise the MLAANZ conference proceedings beginning with the first conference in 1973.

With significant assistance from Stuart Hetherington and Ian Maitland, we have hard copies of the proceedings from the majority of the annual conference but are still missing some years, and in some cases, individual papers from some years.

Missing Years

- 1973
- 1974
- 1975
- 1996
- 1997
- 1999
- 2001
- 2002
- 2003
- 2008

Missing Papers

- 1979 – “Shipping in the 1980’s As Seen By A Tramp Owner”, author unknown
- 1987 – “Legal Problems Arising Out Of The Financial Collapse of a Container Line Service”, Mr R Healy
- 1994 – “Transport Law Reform Bill – Impact On New Zealand Shipowners”, author unknown

We would greatly appreciate any assistance from MLAANZ members in filling these gaps in the record.
