Reminder of Victoria Branch Webinars

Members are being encouraged to partake in the remaining two free webinars in the MLAANZ Victoria Branch Autumn Webinar Series 2021.

Those webinars entail:

- COVID and Insurance in the Maritime and Transport Industries – 14 April
- Salvaging Treasure from Wrecks: Public and Private Law Issues – 12 May

The April event will feature a panel discussion about COVID's effect on insurers and insureds in the maritime and transport industries, with some of Australia's top experts in the field.

The May event will consider the decision in *Argentum Exploration Ltd v 2391 bars of silver* [2020] EWHC 3434 (Admlty) with particular reference to the law in Australia.

A fuller preview of each can be accessed via:
