Call to Action for MLAANZ Survey Participants

MLAANZ sincerely thanks those members who took the time out to respond to the recent survey.

Unfortunately, it transpires that external E-mail security measures have removed the identifying features from a number of participants' responses (any future survey will include a specific name/ E-mail field to address this issue).

If you did respond and your name **does not** appear in the following list, can you please promptly E-mail [Iain MacIntyre](mailto:Iain.MacIntyre@mlaanz.org.au):

- Meil Bitu
- Thomas Broadmore
- Edward Cox
- Paul David
- Bill Gillies
- Edgar Gold
- Paul Heath
- John Livermo
- Ian Maitland
- Pete McQueen
- Mark Perkins
- Quintin Rares
- Denis Speyer
- Andrew Tulloch
- Robert Turnbull
- Chas Wang

We would really appreciate being able to liaise with the currently unidentified participants, as there were a number of follow-up matters raised. And again, apologies for any inconvenience.

Many thanks in advance
MLAANZ Executive
